From

K. MATTHAN, Esq., B. A.,

Food Controller and Director of Civil Supplies in Mysore.

To

C. S. Balasundaram Iyer, Esq., B.A.,

Chief Secretary to the Govt. of Mysore.

Sir,

I have the honour to submit herewith copies of letter No. F.C.191 of the 11th September from the Deputy Commissioner, Chitaldrug District and of its enclosure and to request that in the circumstances represented a lumpsum grant of Rs.35/- may be allowed for the rent of the building in which the grain depot at Harihar is located.

I have the honour to be,
Sir,
Your most obedient servant,

KMatthan

Food Controller & Director
of Civil Supplies.

KM/MPH.

Letter No. F.C.191 of 19-20 dated 11th Sept. 1919 from the Deputy Commissioner, Chitaldrug District, to the Food Controller & Director of Civil Supplies in Mysore, Bangalore.

In forwarding herewith in original Harihar Deputy Amildar's report No. 119 dated 4th September 1919 asking for the sanction of a lumpsum grant of Rs.35 till the end of December 1919 towards the rental of the building now occupied by the Harihar Grain Depot, I have the honour to state that in the circumstances represented therein the amount asked for is reasonable and to request that necessary sanction may kindly be obtained early.

Copy.

Letter No. 119 dated 4th Sept. 1919 from the Deputy Amildar, Harihar sub taluk to the Deputy Commissioner, Chitaldrug District.

I beg to state that the rice depot at Harihar is located in a private building in the middle of the bazar street. When Rangoon rice was first received in May last it was not thought that fresh consignments would arrive and that the building would be in our possession for a long time. So the gentleman who owns it gave it to me for use free. Now that we are having it for the last 3½ months and it is likely that the depot will continue till the end of December 1919 he wants rent at least from August 1919. He demands no rent for the previous months. He says that there are offers for taking the house on lease for one year on Rs.120. Seeing that Government do not derive any profit from sales and that rice is issued for cost price, he wants Rs.40 for 5 months ending December 19 or Rs.8 per month from August. On enquiry I find that neighbouring shops are rented out at fairly higher rates. Being a big house this can be used by merchants as godown. Hence the rent required is fairly reasonable.

2. When the Food Controller was here last the subject of rent was brought to his notice. He remarked that the total expenditure on establishment and rent should not exceed Rs.30 per mensem. The present cost on establishment s Rs.20 for clerk and Rs.9 for measurer. On further con-ideration, I beg to state that the pay of these two hands annot be reduced to meet the cost on rent. The clerk hould be reliable and honest as money is passing constantly hrough him though it might be argued that his work does ot require much intelligence. He may be said to be on a ar with the shorff in the taluk cutcherry. As no grain local allowance is given to the clerk of the grain depot

depotthough he is a whole time servant of Government, I believe Rs.20 is quite necessary for a reliable hand. As regards measurer I may say that an hamali earns from 10 to 12 annas daily by attending on 3 or 4 shops. Rs.9 is not too much for a measurer while a peon on Rs.6 gets Rs.9-8-0, in all including grain and local allowance. In the circumstances the cost on establishment cannot be reduced with strict regard to efficiency and economy.

3. Next to Davangere, Harihar has the largest local sales in Rangoon rice. The place selected is the most central and exposed to inspection. It is secure as it has buildings on all the 3 sides and the main road in front. The Food Controller was pleased to approve of the building. I have induced the owner to take Rs.35 for the period ending December 1919. I beg that a rent of Rs.35 up to the end of December 1919 apart from the cost on establishment may kindly be sanctioned

The petition of the owner is herein enclosed.
